

# Trinity Christian Academy's

## Early Education Program

### LITTLE LIONS

**Age 2 by December 31<sup>st</sup>**

Weekly themes develop a firm Christian foundation as children participate in activities to develop language skills, fine motor control, social skills, and a love for learning. The classroom is divided into bright and interesting learning centers to provide developmentally appropriate instruction through structured and unstructured play, as well as, individual, small group, and whole class activities.

### TRINITY PRESCHOOL

**Age 3 by September 30<sup>th</sup>**

The preschool curriculum offers exposure to academic readiness skills in reading, writing, and math. In addition, activities in Bible, science and social studies provide students the opportunity to explore and learn. Each child's curiosity, creativity, and self-esteem are enhanced in the loving atmosphere of our program. The group size and ratio of teachers to children is limited to enable individualized and age appropriate instruction.

### PREKINDERGARTEN

**Age 4 by September 30<sup>th</sup>**

Children interact in a variety of activities including Bible, phonics, hands-on math, and fine motor development, as well as, organized and free play. A literacy rich environment encourages future success in reading; likewise, active learning opportunities appeal to different learning styles. Above all children learn to respect God, to cooperate with others, and show consideration while learning to appreciate their unique God-given qualities.

### KINDERGARTEN

**Age 5 by September 30<sup>th</sup>**

The day begins with a Bible lesson; but, biblical principles are integrated throughout the academic subjects. There is a strong emphasis on phonics, handwriting, and math; yet, character training is also one of the supreme goals of the day. God says, "Train up a child in the way he should go; and when he is old, he will not depart from it". The prayer is that when children are "trained" in kindergarten, they are building habits that will instill Godly character in each of them for life!

### Auxiliary Classes

Each week, students have the privilege of participating in Library, Art, P.E., Music and Computer classes.

**Trinity Christian Academy's Early Education Program is licensed  
by the State of Tennessee Department of Education**

*Learning to learn in a Christ-centered environment*

**TRINITY CHRISTIAN ACADEMY'S**  
**Early Education Program**  
**Monday – Friday**

**Staff**

The teachers at Trinity are dedicated Christians with a desire to minister to the children and work with the parents to provide the highest quality education and care in a safe and loving environment. Certified teachers plan and implement daily activities to provide opportunity for growth in all areas of development. All staff members are qualified by education, training and experience to give the best possible care for your child.

**GOALS**

**Biblically Directed** - to assist Christian families in their role of training up a child in the Lord through an integrated curriculum that begins with a respect for God and His Word

**Christ-centered** - to offer children a positive, Christian environment in which they can recognize and appreciate their unique God-given qualities and share those talents with others

**Academically Excellent** - to lay a strong foundation for a lifelong love of learning by providing developmentally appropriate lessons in a supportive and comfortable atmosphere where each child can develop to their greatest potential
