

# TCA SUMMER READING – Incoming 7<sup>TH</sup> and 8<sup>th</sup> Graders

Reading is an important part of your experience at TCA and in life! We hope that TCA students will become life-long readers. Please follow the guidelines for summer reading carefully.

- Read the book listed below for your particular grade – no exceptions. If you have already read the book, we recommend that you read it again for stronger comprehension.
- No written report is required during the summer; however, students will complete assignments in English class that connect to the book.
- Bring summer reading books to English class on the first day of school in the fall. Again, no writing is due on the first day of school.
